

CHESTNUT
NEIGHBORHOOD
REVITALIZATION
CORPORATION

IMPACT REPORT

Our Mission

The Chestnut Neighborhood Revitalization Corporation (CNRC) is committed to helping the citizens of Austin find affordable housing. Throughout our efforts to fundraise, construct housing, and serve the greater Austin area, CNRC's values for community and connection remain steadfast.

Milestones

Since our establishment in 2000, Chestnut Neighborhood Revitalization Corporation has established two major residential properties that are home to over 75 residents, including The Chicon and Franklin Gardens.

75

RESIDENTS
HOUSED IN OUR
COMMUNITIES

THE CHICON

This mixed-use and mixed-income community, located in Central East Austin, creates 43 residential units and 10 affordable commercial spaces for ownership.

FRANKLIN GARDENS

Opened in 2011, Franklin Gardens is a 22-unit senior community offering affordable housing for both assisted and independent living.

Funding and Grants

\$300K grant from the Austin Finance Corporation

\$100K grant from the Texas State Affordable Housing Corporation

Thousands raised via public support

Our Current Projects

THE IVORY

Containing both commercial and residential units, The Ivory will create more sustainable housing within the Austin community.
